RESPONSE TO OFFICE ACTION

Sir:

This is responsive to the Office Action dated February 13, 2003 and is timely filed.

REMARKS

Claims 1-138 are pending in the present application. In the Office Action, the figures 3-7 have been objected to as being illegible. Additionally, claims 1-138 stand rejected under 35 U.S.C. § 103(a) as being unpatentable in view of only the single reference of Raven et al. (U.S. Patent No. 5,429,361). No new claims have been added; and no claims have been amended or deleted. Applicant respectfully requests reconsideration of the rejected claims. Applicant respectfully contends that the differences between the claimed invention and the prior art are such that the claimed invention is patentably distinct over the prior art.

Drawings Objection

The Examiner has required corrected drawings, stating that the current drawings are illegible due to solid black shading. New formal drawings of figures 3-7 have been submitted and
